January Health Awareness National Blood Donor Month

National Blood Donor Month - seasonal illnesses such as the flu force potential donors to forgo their blood donations.

That's just one of the reasons that National Blood Donor Month, which has taken place each January since 1970, is such an important observance. Donating blood saves many lives and improves health for many people.

Thyroid & Glaucoma Awareness Month

"Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight."

Proverbs 3:5-6

Celebration of Life Deacon Arlington Northern

The home-going service for Deacon Arlington Northern was held on December 24, 2020 at Foster's Funeral Home. To keep family, friends and the many others who knew him safe and well, a private service was decided by his children.

The family plans to have a Memorial Service when the doors of Shiloh are opened again to celebrate his life and work.

Let the many years of service speak for Father Arlington Northern as well as the life he lived.
